

November NEWSLETTER

Happy Thanksgiving! We hope you are having a wonderful holiday season! Though this is the season of giving, The SoulFisher Ministries (TSM) understands that it can be a difficult time for some families. That is why on Tuesday, December 3rd, TSM is participating in #GivingTuesday. #GivingTuesday takes place every year on the Tuesday after Thanksgiving. It's a day of generosity that occurs after Black Friday and Cyber Monday and encourages charitable acts of kindness.

TSM has some big goals to accomplish in 2020, and this is a great time to join with us to make them possible. Some of these goals include expanding the AGAPE Reentry Pre-release Program to serve over 200 women, reaching the full capacity of the Post-release Transitional Housing Program by serving 6 women at a time, and providing 30 women with cell phones, bus passes, utility assistance, and other basic needs through the Restored for Success reentry program. Join the movement by visiting [our website](#) on #GivingTuesday and clicking the donate button!

Event Recaps

6th Annual Gala

The 6th Annual AGAPE Gala took place Friday, October 18th. With a theme of "The Time is Now!", guests were inspired to step into their ever-elusive futures today. They heard many testimonies of real people who have decided to turn their "some-days" into a present reality, and a moving speech from keynote speaker Christi Griffin challenging them to take charge of their community by voting. Guests also got to hear first-hand how their donations and continued support has directly impacted the lives of individuals in the AGAPE Reentry Program and the ENAL After-school Tutoring Program. With musical selections from violinist Ronald Taylor, networking among professional colleagues, charitable bidding, and excellent food and drinks, attendees of the 6th Annual AGAPE Gala had a beautiful experience. Featured Program Participant

MEET JAYLEN STEWART

Jaylen is a Junior Leader in the ENAL After School Tutoring program at Westview Middle. Since joining the program in 2016, he has made great improvements academically.

"My name is Jaylen Stewart. I am in the 7th grade and I have been going to The SoulFisher Ministries After-School Tutoring Program for the past 3 years. SoulFisher has helped me to bring my grades up to all A's and one B. I really like all the different things we do at SoulFisher, especially the new karate class we have on Mondays. When I grow up, I want to work with computers."

Capital Improvement Campaign

TSM has officially moved into the next phase of the Capital Improvement Campaign! The demolition process has already begun as workers lay the groundwork to begin installing beautiful, professional landscaping, a brand new HVAC system, a fully finished parking garage, plus painting the entire exterior of the building. Renovations on the ground level of the interior have been completed, thanks in big part to donations from supporters like you. If you would like to contribute to this phase, you can at any time by visiting:
